

# CREATING IBM CLOUD SERVICE

Date	19-NOVEMBER-2022
Team ID	PNT2022TMID09750
Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES

The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes the IBM Cloud logo, a search bar, and navigation links for 'Catalog', 'Manage', and 'Shine D's Account'. The main content area is titled 'Untitled' and features a 'Create resource' button. Below this, a 'For you' section presents a grid of recommended resources, including 'Build', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Get started with Watson Discovery', 'Explore IBM Cloud Shell', and 'Smart Document Understanding Demo'. Each resource card includes a brief description, a 'Getting started' or 'Recommended' tag, and a duration. At the bottom, there are sections for 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The Windows taskbar at the bottom shows the time as 09:27 PM on 24-11-2022.

An IBM Cloud Service created Successfully .
